**Re: Quality Management System**

To Whom It May Concern:

Novocam Medical Innovations Oy is registered in Finland with the Finnish Patent and Registration Office Business ID 2429513-0. It has one facility located at Pasilanraitio 5B, 00240 Helsinki, Finland.

Novocam Medical Innovation's products are EU MDR 2017/745 Class I and FDA Class I exempt. Products are sold under the brands "vetCam" for the veterinary industry, "novoCam" for the medical industry and "futudent" for the dental industry.

As per MDR 2017/745 Article 10, the company maintains a quality management system. The quality system is based on ISO 13485:2016 and is not required to be externally certified by a Notified Body.

The quality management system is applicable to research and development (R&D), production, sales, and after sales support activities conducted by Novocam Medical Innovations Oy.

Sincerely,

Kirsty Happonen  
Quality Manager
