

Home care for every patient!

- Hygiene instructions
- Treatment planning
- Tips & techniques

MyDentalbook is the world's first service for making and sharing personalized video instructions for dental patients!

A TOTALLY NEW EXPERIENCE FOR YOUR PATIENTS!

MyDentalbook improves your communication by creating personalised treatment plans, hygiene instructions, and helpful tips. Offer every patient a free **MyDentalbook** account, where you share videos and pictures made during their visit. Then they share their feedback and questions directly with you, and recommend your practice online.

A subscription to **MyDentalbook** provides you with world-leading Futudent dental camera technology, recording software, and easy-sharing cloud services. Help every patient understand your advice, and improve their oral health with **MyDentalbook**.

Prices starting at only \$249/month
